

PERSONAL STATEMENT

I have been with Adyoulike for over 2 years now, I'm pleased to be a part of highly innovative advertising technology company.
After one year in the French office in the Studio/Support Tech Team, the company gave me the opportunity to join the UK branch in London.
The company is growing into a truly international operation and we have recently launched our US branch to develop our North American offering. My role encompasses many different disciplines as a Head of Technical Support I help the Sales, Publishers, Traffic in their daily workflow. Whilst the New York team are growing I am responsible for assisting in this new and exciting market.
Excellent proficiency in Photoshop, Illustrator, InDesign, Adobe Creative Suite.
A creative flair, originality, imagination and a strong visual sense.
Knowledge of video editing and compression
Responsive design
Excellent Time Management and Communication Skills
Strong problem-solving skills
Excellent client-facing skills
Excellent written and verbal communication skills
